COLLECTION

No returns or cancellations on all cut material and HO tile
Minimum cut size on sheet products is 5 SQM
All Ready-to-Ship SKUs will have matching weld rods available in stock. All other weld rods will be airfreighted per order request
Standard cutting lead time for HO Tile is 4-5 Weeks (Time required to produce tile once roll material is available)
These lead times may increase during time of peak demand, and roll lead times are to be added to cutting lead times for colors that are not in inventory
Order minimums for HO Tile cutting - full carton on stocked SKU rolls, non-stocked SKU rolls are full roll carton quantity
Cuts are permitted, only 1 per SKU on each sales order (**cut fee will apply of $100.00**)
Handling & Storage: All rolled products should be put properly away within 24/48 hours one of two ways: (1) Stood up vertically and stored tightly rolled, (2) Stored horizontially in cardboard tube with end seam face-out
All Homogenous Sheet products and vinyl weld rods are produced in Ronnoby Sweden, while all Hetergenous Sheet (except Performa which is produced in Farnham Canada) is produced in Sedan France, and Linoleum proudcts are produced in Narni Italy
Weld Rod being stocked in TNA does not guarentuee inventory quantities.

[1] Special order in speckled - no returns and no cancellations

HOW TO ORDER:
Select Product Code
Select Color Code from Appropriate Color Palette
Select Length
Select Nose
Example: HMNT 40 4 SQ

SPECIAL NOTES:

For non-standard / non-promoted products see custom section for how to order
For stairwell installation, refer to adhesive chart for recommended adhesives, and the stringers and risers section for stairwell accessories
When installing one piece tread riser combination products, Tarkett recommends the installation of cove filler strip CFS-00-A to ensure proper fit and support
Special order items cannot be returned or cancelled. For stair treads all non-standard/non-promoted items require a 200 LF minimum or price equivalent to 200 LF
In cases where the staircase is the same width as Tarkett Stair Treads and Risers, order the next size up to allow for proper installation. Ex. If the staircase is 3' wide, order 3.5' treads
Cubis Bamboo, Fast Lane and Rice Paper are available without a riser but are considered non-standard; no returns or cancellations will be allowed and minimum run of 200 LF applies
All rubber treads over 6' must be ordered in full cartons

SPECIAL NOTES:

Check local codes in your area for restrictions using recycled tire products

Replay is made from post-consumer recycled tires; recognizable visual differences can occur from roll to roll or tile to tile; this does not detract from its performance and is a normal part of the manufacturing process; dry lay all floors before final installation
